

How to write an effective Essay?

- First, Choosing the topic carefully (i.e. identification of topic);
- Don't look for familiar topic, rather choose a topic over which you can write cohesively.
- Second, do brain storming over the selected topic. At least give 20 minutes to this aspect. This would provide you fodder for writing.

Topic : The success of democracy hinges on the healthy functioning of its institutions.

Abhilash recently bought a car. However, before driving it, he had to get his car registered, get an insurance and also get a four-wheel drive license. For the same, he visits the nearby RTO. He is shocked when the officer asks him for a bribe. He decides to report the matter and file an FIR, only to find that the police and the RTO officer are hand in glove. Disgusted, he feels that filing a case is the only option he has. Unfortunately, at the court he sees that a case from the year 1993 is still pending. Ashamed and sad, Abhilash returns home.

The story of Abhilash is not a new one. Everyday a new 'Abhilash' has to go through the same experience. One might wonder, what is the reason behind such a dismal state? The answer stares right back, Lack of healthy functioning in institutions.

While going through this essay, one might come across the following :- What is a democracy and how can it be successful? What does it mean to have healthy institutions? What are the roadblocks to having healthy institutions? and how can things be changed?

UPSC

For Practice Purpose Only

नमस्कारों को इस प्रश्नीकृति में नहीं लिखना चाहिए।
Candidates must not write on this margin

Candidate must adhere to the word limit specified in the question.
Any page or portion of the page left blank must be clearly struck off.

IN A GENTLE WAY, YOU CAN SHAKE THE WORLD

An old man in simple clothes decided to wrestle against the world's brightest empire. He started from Sabarmati Ashram with a band of followers. His small act of picking a lump of salt on Dandi coast against the salt law of British sent a shock wave down the spines of the crown.

This man was none other than father of our nation, Gandhiji. On the other hand lied subhash Chandra Bose. Disagreeing with the non violent approach, he created an Indian National Army to create an armed revolution. Bose also shook the foundations of Britishers and was never caught.

The above example shows how two freedom fighters changed the world in their own ways. While one took a gentler approach, others relied on

strength. Non's contribution was any lesser.

In this essay, we will examine why a gentle approach shakes the world, how is its impact visible in different areas? In what situations, we require strength over a gentle way? How do we train ourselves to remain gentle in the most difficult situations?

A gentle way of doing things is defined by peace, calm, lack of brute force and an overall approach guided by strength of mind.

When one remains gentle, the world collaborates with us. This makes it much more easier to change the world for better.

Long ago when Ashoka decided to give up war for pursuit of peace he could conquer even the far flung areas due to people's own

Depending upon the Essay topic you can introduce in multiple ways:

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Core Aspect of Body Parts

↓
Essay is not just
one theme/ topic

↓
it is a way of
communication

↓
Most dynamic part
to show your personality

↓
So this part must
reflect you, who
you are, how
multidimensional
you can be, how
a great problem
solver you are,

↓
Can you interlink
diff. disciplines +
Do you have enough
case studies in
your kitty or
anecdotes to
substantiate your
core arguments

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Essays are
Your intellectual
autobiography

↓
Show them that
the attributes
which they will
looking into an ideal
Civil Servants are in You

↓
Keep the tone
positive throughout

↓
You can even use
personal story too

↓
Reflect Dynamism

↓
One Caution

No unnecessary
Jargons to be
used.

↓
Clarity is king

↓
Clear + Concise &
Sensical;

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Conclusion

Offer closure ↓ with a broader perspective
by reflecting on the larger significance
of the topic

Don't be repetitive + problem solver

<http://www.youtube.com/@CivilsPhodo>

निम्नलिखित खण्ड A और B प्रत्येक से एक-एक विषय चुनकर दो निबन्ध लिखिए, जो प्रत्येक लगभग 1000-1200 में हो :

Write **two** essays, choosing **one** topic from each of the following Sections A and B in about 1000-1200 words each :

खण्ड—A / SECTION—A

1. सत्य कोई रंग नहीं जानता है।

Truth knows no color.

2. बिना लड़ ही दुश्मन को परास्त करना युद्ध की सर्वोच्च कला है।

The supreme art of war is to subdue the enemy without fighting.

3. विचार एक दुनिया खोजता भी है और एक बनाता भी है।

Thought finds a world and creates one also.

4. सबसे अच्छे सबक कड़वे अनुभवों से सीखे जाते हैं।

Best lessons are learnt through bitter experiences.

खण्ड—B / SECTION—B

5. मैले पानी को अकेला छोड़ने से ही उसे सबसे अच्छा साफ किया जा सकता है।

Muddy water is best cleared by leaving it alone.

6. वर्ष बहुत कुछ सिखाते हैं, जो दिन कभी नहीं जानते।

The years teach much which the days never know.

7. जीवन को एक यात्रा के रूप में देखना सर्वोत्तम है, न कि एक गंतव्य के रूप में।

It is best to see life as a journey, not as a destination.

8. संतोष जाग्राहक संपत्ति है; विलासिता कृत्रिम निर्धनता है।

Contentment is natural wealth; luxury is artificial poverty.

In second
part

<http://www.youtube.com/@CivilsPhodo>

Truth knows no Color
(There is a book by Heather McQuillan - Truth Needs No Color)

2012

explores the
cost of Truth,
power of voice,
& resilience of
the Youth in
Oppressive
Society.

(whose activist mother is dead &
father missing)

↓
Sent to live with her grandparents in
a Cyclone-ravaged South island.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Truth knows No Color

Could have started with a story

Story of a Dalit boy or

The Blue Jackal (story of Panchatan
tee)

He was standing silently at
the blackboard → Classmates
mocking him saying, he wasn't
fit to teach during peer-
learning hour;

Teacher handed a piece of chalk
asking him to write

Appearance may deceive but
truth reveals itself through
action & essence;

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Wrote the ↓ answer - perfectly

The ↓ room fell silent. The truth it revealed was
untouched by prejudice;

That moment was special, it captured a profound
truth: Truth knows no color, no caste,
no creed. It simply is. ↓
→ Could also have started with Story of Malala Yousafzai

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

The phrase stands as a moral & constitutional imperative • It suggests that truth

- Universal

- transcends divisions like race, ethnicity, culture etc.

- Has no color

- Remember Bhagwat Gita (वृत्ति गीता)
spoken by a Dalit, women, child, truth

→ Whether spoken by a Dalit, women, child, truth retains its sanctity

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Body (Don't use subheadings)

→ Indian thought has long revered Satya - truth - not merely as factual correctness but as a moral force -

Ex-
hike

of
Bhagavadgita

Buddha +

Dharma Shashtra

Urging Arjuna
to act in
a/c with Dharma
Truth is the path to
liberation

Gandhi

Satyagraha - built on
the belief that
truth, when pursued
with non violence, can
overthrow mightiest

Luther King +
N. Mandela

Truth must not
be judged by
the color of
Speaker's skin

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Across Various Spectrum of Thought

Constitutional

Thinks of
Consti. Morality

Think of Art. 14,
15

Truth must not
be filtered through Caste,
religion or socio-economic status.

Truth

Racial,
Caste,
Gender
Distinctions
don't
make sense

Challenges
Subjective
Relativism

where truth

might be seen
as varying based
on perspective

implies a
moral stance
that justice,
fairness or
ethical princi-
ples should
apply equally
to all.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

↓

affirm that truth is not the property
of any race, religion or nation - it is a
cosmic principles that transcends identity.

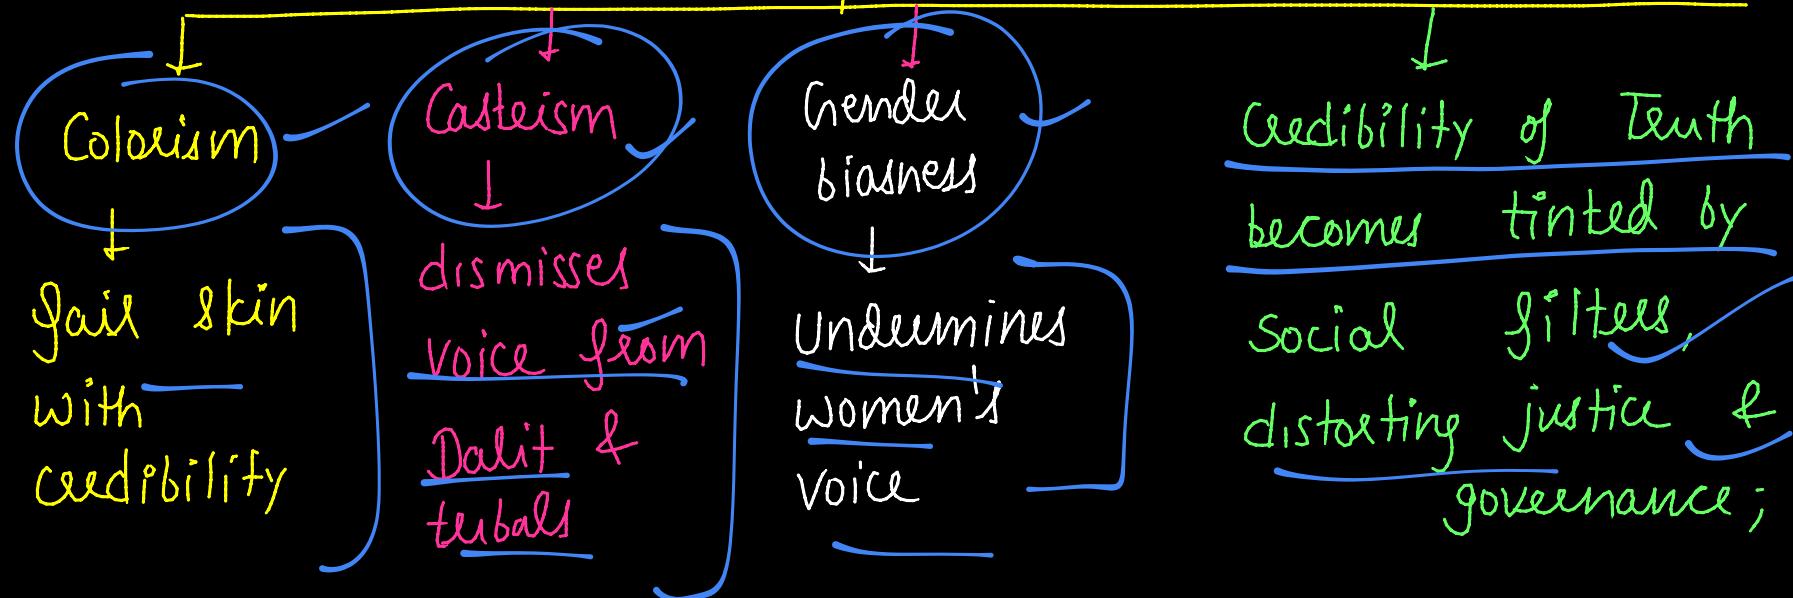

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Yet in modern society, truth is often judged not by its substance but by the identity of the speaker -

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Case of

Rohit Verma

Suicide note-

'My birth is my fatal accident'

institutional casteism

Bilkis Bano

Testimony buried

under Communal

& Pol.

narratives

His words were dismissed

Took yes of legal

struggle for her

truth to be acknowledged

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Think of its impact in Governance

1

When truth is suppressed,

governance becomes
a tool of exclusion

↓
issue of MS → Despite being banned under Proh. of
Emp. as MS Act — 1000s continue to die
(Govt. data underreports it) → Bezwada Wilson

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Same is in Eduⁿ

↓

Truth in eduⁿ must be recognized in the brilliance of a child's answer, not in the color of their skin or surname they carry.

→ RTE + inclusive classrooms] Step forward

but the deeper challenge lies in changing mindsets that filter truth from prejudice.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Civil Society + Youth movements have played a vital role in restoring truth's neutrality.

Digital platforms democratize truth-telling, allowing voices from remote corners to be heard globally.

Pathalgadi Movement in Jharkhand

emerged from a deep truth

that dev. must not erase indigenous identity;

Black Lives Matter in the USA or Story by Heather McQuillan

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Even ancient Indian fables from Panchatantra or INM's experiences echo this

Elephant Story

↓
nest of sparrow trembled deliberately

↓
with help from an ant, a wood pecker & a frog devised a plan to defeat the elephant

Truth is not the monopoly of the mighty

Can be wielded

by marginalized

(Gandhi's experience during CDM & Dandi March)

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

To build a society, where truth knows no color,
India must strengthen legal safeguards for
whistleblowers & marginalized voices.

Edu^n - Critical thinking & empathy -
make them accountable for selective truth-telling;

Media - inclusive (equal space to all sections)

governance - in truth-telling must be celebrated;

Diversity - in truth-telling

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

'Truth knows no color' is a call for objectivity & impartiality; It is a reminder to prioritize universal principles over divisive distinctions, though its application depends on context & interpretation.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

Rabindra Nath Tagore →

'where the mind is w/o fear, & the head is
held high... into that heaven of freedom, my
father, set my country awake'. That awakening
begins when we accept that truth knows
no color - & neither should justice.'

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

40. The Supreme art of War is to subdue the
enemy w/o fighting

Tsun Tzu from the Art of War

Start with an anecdote
of Buddha & Angulimala story

That led to
enlightenment of
Angulimala

Thought finds a world & creates one also

Can find the origin in
Indian scriptures & Buddhist

थथा पिपुल तथा वृक्षाणि ।
॥ दुर्बल तथा सुमित्र ।
(Yajur Veda)

जाकी रही भावना पूरी,
प्रभु मुरा दृश्य तेन पूरी ।

Ramchaitmanas

With our
thoughts, we
create the
world ;

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

~ Similar Quote - Your perception of me is a reflection of you,

my reaction to you is an awareness
of you

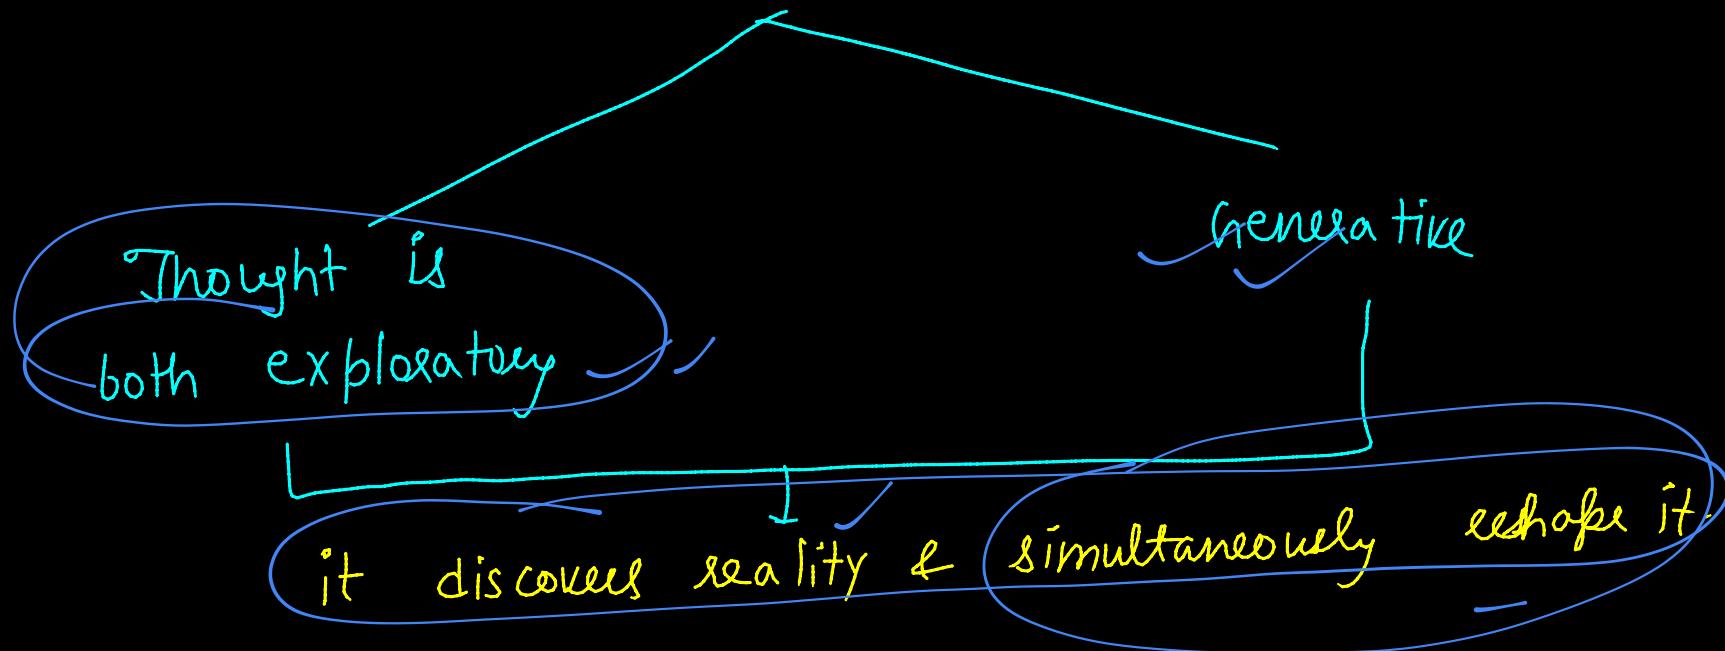

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

↓
Reflects Dual power of
Human Consciousness

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

- To say that thought “finds a world” is to acknowledge its role in perception and understanding. Before any action, there is awareness.
- Thought allows us to decode patterns, recognize injustice, and interpret the complexities of existence. In this sense, thought is diagnostic—it helps us see the world as it is.
- For instance, when Dr. B.R. Ambedkar studied caste discrimination, he did not invent the problem; he revealed it, gave it language, and framed it within constitutional discourse. His thought found a world of inequality and brought it into the realm of public consciousness.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

- Similarly, the environmental movement did not create climate change—it recognized it, analyzed its causes, and articulated its consequences. Thought, therefore, is a mirror that reflects reality, often with uncomfortable clarity.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

- Yet thought does not stop at recognition. It moves forward to creation.
- The second half of the phrase—“creates one also”—speaks to the transformative power of imagination and vision. Once reality is understood, thought begins to reshape it. It builds institutions, ideologies, and futures.
- The Indian freedom struggle is a testament to this generative capacity. Gandhi’s idea of Swaraj was not just a political demand—it was a moral vision of self-rule rooted in truth and nonviolence. Nehru’s dream of a secular, democratic India was born not from existing structures but from thought that dared to imagine a new nation.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

- This creative dimension of thought is also evident in policymaking. Consider the evolution of welfare schemes in India.
- The Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) was not a spontaneous reaction to unemployment—it was the product of thought that recognized rural distress and imagined a rights-based solution.
- Similarly, the Right to Education Act emerged from a vision that every child, regardless of background, deserves access to learning. These policies did not just respond to problems; they redefined the landscape of possibility. Thought, in these cases, became a tool of nation-building.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

- In governance, this principle has practical relevance Effective administration begins with understanding ground realities—poverty, inequality, infrastructure gaps. But it must also move toward innovation and reform.
- the Swachh Bharat Abhiyan did not just identify sanitation challenges—it launched a behavioral revolution that redefined public hygiene.

<https://t.me/UPSCwithDeepakPrakash>

<http://www.youtube.com/@CivilsPhodo>

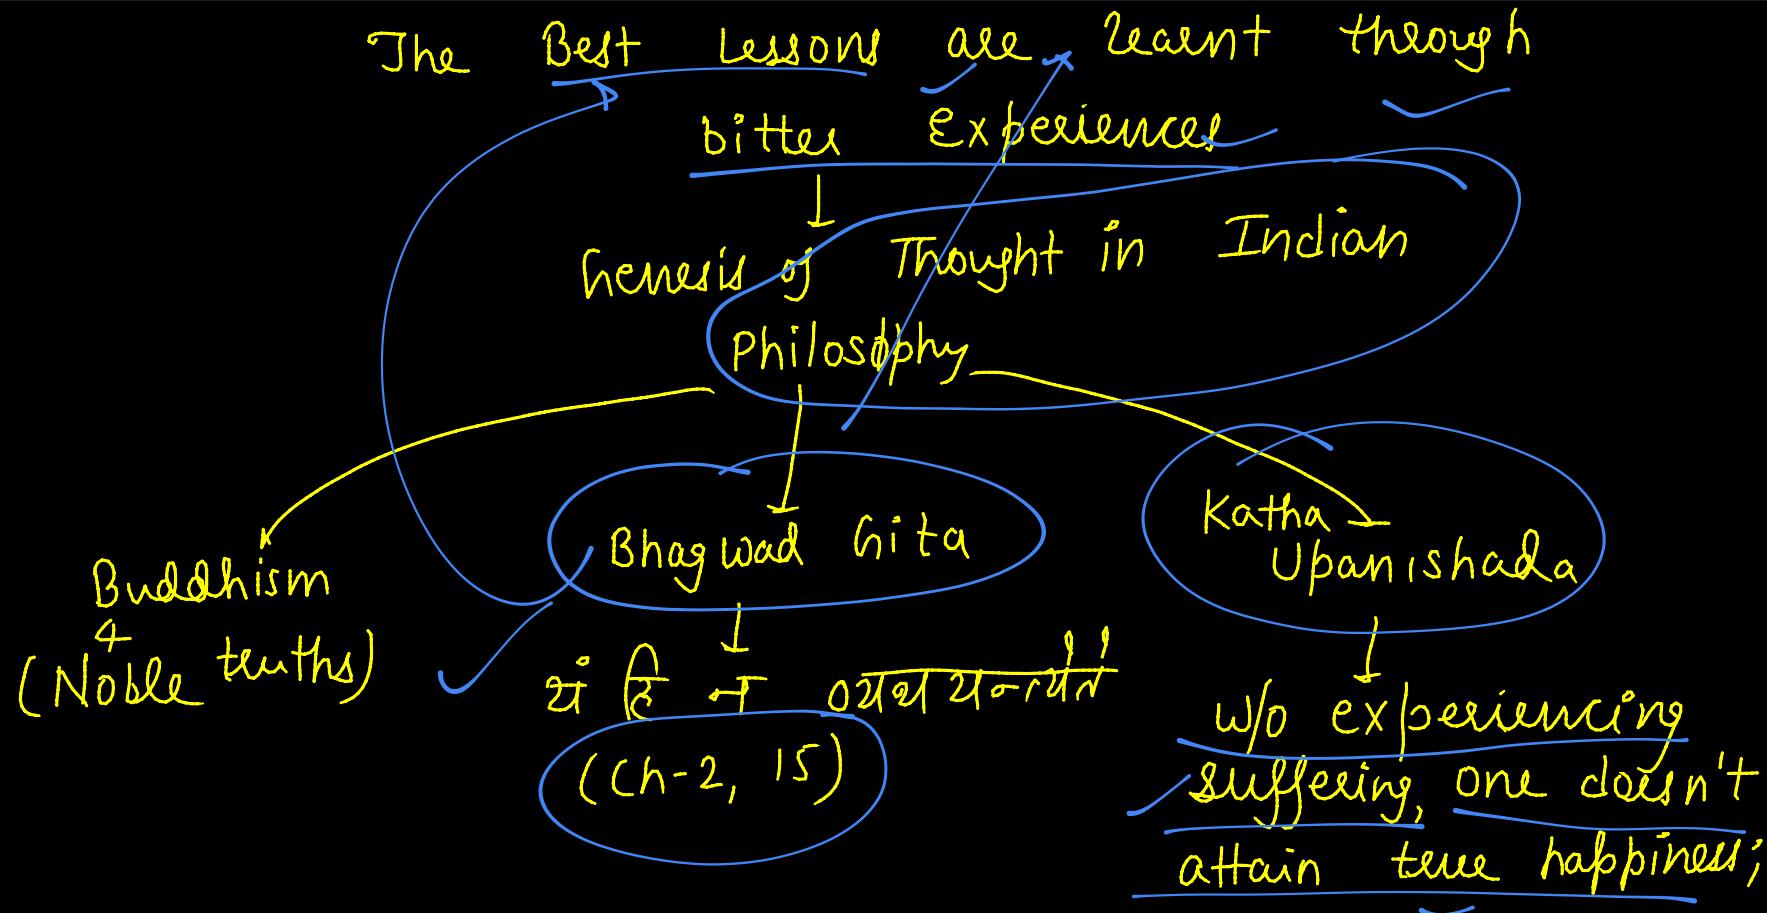

- In essence, the phrase “Thought finds a world and creates one also” is not just a philosophical observation—it is a call to action. It urges us to cultivate awareness and imagination, to see the world clearly and to shape it courageously. In the Indian context, it aligns with our civilizational ethos, constitutional values, and democratic aspirations.
